

Overview

With the SmartHub mobile App, you can receive notifications from your SmartHub provider, pay your bills, report problems with your service, and contact your provider, all from your iPhone.

Getting started is easy – you just need to install the app and log in. It's that simple.

Install SmartHub

Step 1: On your mobile device open your app store application.

Step 2: Search for “SmartHub” in the search bar and look for the SmartHub icon. Follow the instructions to install the app on your device.

SmartHub
Productivity
★★★★☆ 378

Step 3: Open the SmartHub app on your device after it installs.

Step 4: After SmartHub opens to the initial launch screen, tap the appropriate button to search for your provider by either “**Location**” or “**Name**”. Enter any information required.

By Location

By Name

Step 5: After the search results appear, tap your provider's name on the list presented. Then tap the “**Confirm**” button to confirm your choice of provider.

Find Provider by Name

If your service provider isn't listed, check the spelling and try again.
