MINIMUM CHARGES

The minimum monthly charge shall be the highest of the following:

- (1) For all customers requiring ten (10) KVA of transformer capacity or less, the minimum shall be \$11.50 per month.
- (2) All consumers requiring more than ten (10) KVA of transformer capacity, the minimum charge shall be increased at the rate of \$1.00 for each additional KVA or fraction thereof.
- (3) The minimum charge per month shall not be less than the monthly charge established in accordance with the line extension policy, or by special contract.
- (4) The consumer shall be entitled to use the number of kWh corresponding to the minimum charge in accordance with the foregoing rate in any one month; however, the above charges as established will be increased by the purchased power cost adjustment based on kWh used.

TERMS OF PAYMENT

Bills for service are due and payable upon receipt. Bills with a balance of \$500.00 or more and thirty (30) days delinquent from the "Due Date" shall be assessed a one and one-half percent (1.5%) per month penalty charge. (See TOUA Rules and Regulations for Non-payment Disconnects and Policies).

Schedule A-1

TAX ADJUSTMENT

This schedule is subject to its proportionate part of any taxes or government impositions which are now or may in the future be assessed on the basis of plant facilities, gross revenues of TOUA or revenue from sales of electric energy, or kilowatthours of electricity generated or purchased for sale or sold hereunder.

WHOLESALE POWER COST ADJUSTMENT

If at any time after January 1, 2009, the rate under which the TOUA purchases electric energy at wholesale is modified, TOUA may make a corresponding modification in the rate for service hereunder. This modification shall be based on kWh consumption as an additional charge to the above monthly rate and/or minimum charges.
